WHAT IS ACCELERATED EVOLUTION (AE360)?

AE360 was discovered by distilling and synthesizing the most highly effective “no-nonsense” methods from modern therapy, cognitive research, human potential, metaphysics and perennial wisdom.

The ‘AE’ part of the equation points to the accelerated nature of growth this technology catalyzes. Gone are the days of slow, progressive personal improvement. We now need rapid, effective expansion if we are to meet the challenges humanity currently faces.

‘360’ refers to the concept that growth must happen holistically in life. Many personal development techniques create growth in specific areas like health, business or wealth. AE360 sets the stage for massive up leveling in ALL facets of your existence.

AE360 is a supremely effective, proven suite of methods for dissolving emotional and mental blocks we all have. It clears the path for easily attaining goals, making peace with the past and creating more freedom never before felt or enjoyed.

It uses an integrated set of verbally-guided transformative experiences that allow anybody to dissolve inner conflict, emotional knots and stored intense experiences. This allows the natural emergence of peace of mind, flow and effortless peak existence.

Make no mistake... AE360 is a proven, yet disruptive personal evolution technology that offers the most direct, swift and effective methods to create instant, core and lasting change.

After coaching countless clients and students internationally, the faculty at Accelerated Evolution Academy are proud to stand at the evolutionary edge of the leading stratum of coaches, transformation leaders, health and helping professionals who are changing the planet for the better one person at a time.

WHY TRAIN & GET CERTIFIED IN ACCELERATED EVOLUTION (AE360)?

As leaders, it's time to look beyond personal and professional growth training only in terms of financial return on investment (ROI). While important, we must now begin to seriously weigh the cost of our inaction (COI). Recent world events clearly demonstrate that the only effective leaders are those who can hold core equanimity and resilience while they take massive action. The time for talk is over. Right action, taken by well informed, deeply trained leaders will be what is required to create the world we all know is possible.

There are 3 CORE BENEFITS of using AE360 for yourself & your clients:

ENHANCED IMPACT: Ultimately, AE360 is designed to create turbo awakening. It causes evolutionary leaps in both Coach and Client. Changes are often immediate and sustainable because AE360 uses metaphysical and psychospiritual methods.

INCREASED INSPIRATION: If you're a Seeker of the highest levels of personal actualization and fulfillment, you've reached a pinnacle with AE360. Instead of pushing hard for results, you'll enjoy spontaneous realization of new, expanded states of consciousness, spiritual awakening and wisdom. This translates into consistent embodied experiences of peak joy, creativity, clarity and effectiveness.

EXPANDED INCOME: Your level of income and abundance correlates closely with your level of personal development in all areas of your life. The nature of AE360 is to rapidly expand your power and efficacy in all lines of development from health, wealth, relationships, sex and personal power. This translates to the potential for an exponential ability to create wealth. This is a bold claim. However, our team has seen the spontaneous realization of this result multiple times in our AE360 participants and trainers. These results ARE typical.
